Outta my mind

Choir: 2x I can't get you
Outta my mind

Chorus:

6x Can't get you outta my mind

I've been through many trials and tribulations
tryin' to change my life
I've never known that it takes so much patience
tryin' to see things right
You had me in a deep black hole
when you said you would have to go
Felt like my heart got ripped outta my body n soul
Boy I cried, I cried, through days and nights
while you went back to your old life
N up until this day I wonder why you couldn't stay with me

Chorus:

6x Can't get you outta my mind

Sometimes I wish that I could really hate you
so I could let you go
But something is so fascinating bout you
What it is I don't know
Got me comparing every other man to you
But their skills ain't even coming thru
I know you still feel something for me, too
Your situation won't let dreams come true
Even when I tried, I tried to totally stay away
I realized I won't forget you
N up until this day I'm wishin' for a way to be with you

Choir: 2x I can't get you
Outta my mind

Chorus

Xx Can't get you outta my mind
