

I see you in me

I heard many poets speak about
Seeing themselves in their lover
It seems a natural thing since we are all
Mirrors to each other

Even i have seen similarities between
me and the guys I've been with
but noone has ever gotten that close to me

Now when I look at you
I see myself n that's cool
But when I look at you
It is me I see and that's new

Chorus: 2x
I see you in me and me in you
I see me in you and you in me, too

You are all I ever asked for in a man
I prayed for you and now I finally understand
We need to know what we want in life
Believe in the power of a positive mindset
Then we bloom like a beautiful flower

Now when I look at you
I see myself n that's cool
But when I look at you
It is me I see and that's new

Chorus: 2x
I see you in me and me in you
I see me in you and you in me, too

Bridge:
Choir:
I see you 10x
I see you as a part of me, n you see me as a part of you, too
If we could all see us in others my dream of unity could be true

Chorus: 2x
I see you in me and me in you
I see me in you and you in me, too
