

V1

It's a time of choices
The tree of life is being shook
Bad fruits will soon be falling
Many more things to be understood

The strong ones keep on growing What's growing now will soon be one

Chorus:

Make sure you pack your luggage light
The easier will be your light
A new one will be waiting
Be ready

V2:

Learn to value the little things
Don't turn your back on real love
Only unconditional love will grow wings
N take you higher than you think

The strong ones keep on growing What's growing now will soon be one

Chorus:

Make sure you pack your luggage light
The easier will be your light
A new one will be waiting
Be ready

Bridge:

The crises will open our eyes
We need to come back to our roots
The downfall of the ones who lies
Freedom will need new rules
The crises will open our eyes
We need new rules

Chorus

Chorus: N then you see that you have grown...

Bridge:
Now the new you was born
Feel somehow more alive
Call wisdom your own
Ready to shine your light
