

Call me

V 1:

My name is Mama
My name is friend
My name is daughter of my wonderful loving parents
My name is Kaye-Ree
My name is Gaga
That's what my brothers called me ever since I've been a child

Chorus: 2x

Call me all those names
But I am so much more
Than what you see in those frames
Call me all those names
I'm a lovin spirit - in a human body

V2:

They call me easy
They call me loud
They call me crazy, sexy, cool
When ever I'm around
They call me spiritual
Yeah that's my thing
They call me musical messenger
Because of what i sing

Chorus: 2x

Call me all those names
But I am so much more
Than what you see in those frames
Call me all those names
I'm a loving spirit - in a human body

Bridge: 4x

Call me what ever you want
I just be me

Chorus:

Call me all those names...
