

Can I ever

V1

Is it possible to fix it
What I thought I lost and will it
Ever feel the same
Or could it be better than before

Is it possible to work it
without high expectations
Can I be myself
n finally feel loved for who I am

Prechorus:

If I could
I'd put
A bandaid over every wound
N get over my past
I wonder....

Chorus: 2x.

Can I ever love like this again
N yet be my own best friend
Can I ever love like this again
The kind of love that never ends
Can I ever love like this again
I pray I will at least once more
Love like i've never been hurt before

Verse 2:

Do I wait for the right timing
The right guy must be hiding
Will I find that Special ONE
Or is this just an illusion

Tryin to get over my fears now
Learn to love myself n i see how

Chorus:

Can I ever....

Bridge:

Can I ever
Will I ever
I need that love of my life
oh oh
Can I ever
love at least once more
like i've never been hurt before

Chorus:

Can I ever...

Chorus:
N then you see that you have grown...

Bridge:
Now the new you was born
Feel somehow more alive
Call wisdom your own
Ready to shine your light
