They say

Chorus:2x

They say, they say that
What you give is what you get
so how come the love I give ain't coming back to me

I don't expect da moon and stars
Don't need no ride to mars, no
All I want is your heart

How come nowadays it's so hard though
Sometimes I even start to
Give up my hope on love

Chorus: 2x

They say, they say that
What you give is what you get
so how come the love I give ain't coming back to me

I thought I had the right to be loved (ah ah ah)
Just like I opened me
Love don't seem to love everyone

I don't wanna close myself up though
There must be someone who's heart (someone who)
Cupid is aiming for
