

Life

I

It took a while but
Life finally taught me to live
Been rushing through it
Now I take it step by step

Today I smile
About mistakes I made so far
I can't deny those were important lessons
For

Chorus:

Life
Ain't given to walk through it blind
Life
Will one day open your eyes
Life
I love it because it is mine
All I'm trying to tell you is
To live your life
And seize your time to
Shine

II

So many people waste their time with useless shit
They live to work
Instead of working so they can live
Pockets so tight as if
They take what's theirs to death
Preparing themselves
For one day finally
Living their

Chorus:

Life
Ain't given to walk through it blind
Life
Will one day open your eyes
Life
I love it because it is mine
All I'm trying to tell you is
To live your life
And seize your time to
Shine
