

One

Verse 1

I wish that one day everyone on earth feel one whole life of peace
I wish that one day everyone will help their next person in need
I wish that one day in this one life i make one change that is deep
I wish that one day everyone will finally feel the unity

Chorus:

Can you see that we are ONE
Feel the WE instead of ME
Only as ONE we can all be free
There are no colors or nationalities

Verse2

I wish that one who is in one mindframe to one day soon be free
I wish that one day freedom will be more than just philosophie
I wish that one day everyone will find that One Love they seek
I wish that one day everyone will find the one inside of WE

Chorus:

Can you see that we are ONE
Feel the WE instead of ME
Only as ONE we can all be free
There are no colors or nationalities

Bridge:

What's the use of high technologie
So intelligent we claim to be
But still fighting over the green
And ignore poverty we see

Chorus:

Can you see that we are ONE....
