Every lil thing

Like flowers by the window
I turn my head towards your light
Like your body's shadow
I stay right by your side
Can't help but getting lost in you
my fascination I can't deny
You're the one I dreamt of every since we met n that my love is why

Chorus: 2x
Every little thing in my life
one day might change
But me and you boy – it ain't no game
My love for you will stay the same

Like the sweetest melody
your voice softly caresses my soul
You're my final destiny
with you I wanna grow old
Since you're with me my life's in harmony
we got that natural flow
You're the one I longed for desperately
that my love I know....

Every little thing in my life

Bridge:

Oh, oh, oh, my, my, my day's so grey without you
Oh, oh, oh, my, my, my night's so cold without you
(Without you, without you, without you)
Oh, oh, oh bye, bye, bye to my life without you
Oh, oh, oh I won't ever be without you

Chorus: 2x

Every little thing in my life
one day might change
But me and you boy – it ain't no game
My love for you will stay the same
