

For a reason

Verse 1:

We might not get along all the time  
That doesn't mean that I don't like your style  
Might not agree on our philosophies  
But I can learn from you and you from me

Prechorus:

Cuz I feel a strong connection  
Between you and I  
Yeah it feels like I've been known you for some lives  
Now  
We get to be each other's teacher again for a while

Chorus:

You are you for a reason  
And I am me for a reason  
We have met for a reason  
But not a season, please believe me

Verse 2:

I have to look at my inner child  
Why certain things you say cause me to cry  
At the same time I feel so close to you  
N fell in love with little things about you

Cuz I feel a strong connection  
Between you and I

Yeah it feels like I've been known you for some lives  
Now  
We get to be each other's teacher again for a while

Chorus:

You are you for a reason  
And I am me for a reason  
We have met for a reason  
Even if it's just for a season

Bridge:

We all are doubting ourselves sometimes  
We all have our little wounds inside  
Let's try to heal each other n let love be or  
guide  
And find out why we have been reunited in  
this life

Chorus:

You are you for a reason  
And I am me for a reason  
We have met for a reason  
Even if it's just for a season

Chorus:  
N then you see that you have grown...

Bridge:  
Now the new you was born  
Feel somehow more alive  
Call wisdom your own  
Ready to shine your light
